

What's Next from City Wide?

JANITORIAL SERVICES

City Wide's unique management-based business model ensures you have the best quality service every time. We are a locally owned company that provides janitorial and other maintenance services to commercial properties.

How is City Wide Different?

City Wide provides you with one point of contact to take the burden of maintenance off your shoulders!

City Wide works with you to customize your services to the needs of your building!

How Do We Help You?

We save you time and relieve stress – you no longer need to manage multiple vendors, submit projects for bid, or inspect the quality of work done. We do all of that for you!

In addition to managing your janitorial work, we can also handle your other building maintenance needs, such as janitorial supplies, carpet cleaning, and window washing – just to name a few.

Call Us Today!

Contact City Wide for an assessment of comprehensive cleaning services for your building, and to learn about our 20+ other building maintenance solutions. You'll be amazed at the time you save!

Our account managers are:

- ◆ Trained to manage 20+ maintenance services
- ◆ Knowledgeable professionals
- ◆ Proactive problem solvers

Our Assessment Includes:

- ◆ Conducting a complete building survey, which includes all cleanable areas, trash and recycling receptacles, restrooms, break rooms, and entry points.
- ◆ Evaluating and making recommendations based on traffic patterns, facility usage, customer-facing areas, staff size, and frequency of service.
- ◆ Listening to your budgeting goals to create the best scope of work to meet both the needs of your building and your bottom line.
