Low-profile surface design
traps dirt and liquids to
stop tracking.

PIG EXCLUSIVE!

PIG Grippy® Carpeted Entrance Mat — Adhesive-backed mat eliminates slips, trips and falls and captures dirt and liquid at your door.

- Adhesive-backed mat stays exactly where you put it with **no shifting, rippling or flipping over**
- **P53™ adhesive backing** delivers the ideal balance of stick-and-release performance
- **Create inviting entrances** and impress your guests; multiple textures and colors complement modern or upscale lobbies and vestibules
- High-performance needlepunched fibers and low-profile surface design **trap dirt and liquids** to help prevent tracking
- **Quick-dry, colorfast fibers** resist staining and fading; made from 100% postconsumer recycled content
- No rippled edges to obstruct doors or create tripping hazards; **ADA compliant** for wheelchairs and walkers
- **Commercial-grade durability** lets you keep mat in place for three to six months depending on your conditions
- **Clean your floors with mats in place**; won't budge while you work, making it easy to use a vacuum or water extractor
- **Cuts easily** without fraying or unraveling; lets you create **continuous walk-off coverage** and custom sizes with no gaps or overlaps

P53™ adhesive backing sticks tight, but peels up easily when you need to replace mat. (There's no rush — Grippy Mat stays down for months!)

Tested and certified by the National Floor Safety Institute (NFSI) to reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program.

Two stylish textures available! See next page for details.

	Berber • 6'W x 10'L
GRP92	Checkered • 3'W x 25'L
	Checkered • 6'W x 10'L

Patent Pending

NOTE: All adhesives have potential to lift finish coatings or paint depending on the condition of the surface. Grippy Mat is formulated to work with most industrial floor and work surfaces, but testing a 6" square piece in a noncritical area can help you judge suitability for your use. Product life will vary depending on the type of use, level of liquid saturation and the frequency and intensity of foot and vehicle traffic.

Tools for PIG® Grippy® Mat — Make the easy job of installing Grippy Mat even easier with these professional tools.

- **Installation Board** (GRP001) helps you smooth mat into place and eliminate air bubbles; can also be used as a cutting guide for creating perfect corners or 45° angles
- **Safety Knife** (GRP012) makes quick, clean cuts to Grippy Mat without the risk of handling scissors or box cutter; recessed blade has protective edges to help eliminate injuries and property damage (Board and Knife also sold together as GRP005)
- **Installation Roller** (GRP021) unrolls the mat as you push it along and smooths it into place; eliminates the need to get down on your knees during installation
- **Removal Tool** (GRP020) "locks" its jaws onto mat material, providing a firm handgrip for pulling up Grippy Mat (ideal for removing long runs or mats that have been in place for extended periods of time)
