

# Medical

From restrooms to exam rooms; City Wide Maintenance has your needs covered. We service medical buildings across the country and know the important details you require in a maintenance partner. City Wide will:

- Implement a customized cleaning plan
- Use proper disinfectant and floor care techniques
- Properly dispose of hazardous waste
- Employ workers with extensive bio hazard training
- Use only approved chemicals for medical facilities

City Wide realizes how important it is to have the right people taking care of your building.
